WHERE FUN AND FUNCTION CONNECT

UNNA

BENCHING SCREEN

FUNC.

Contract furniture doesn't have to be stuffy and uncreative. We know it can be stylish and modern and comfortable too. So we started making our own and never looked back.

FUNC.

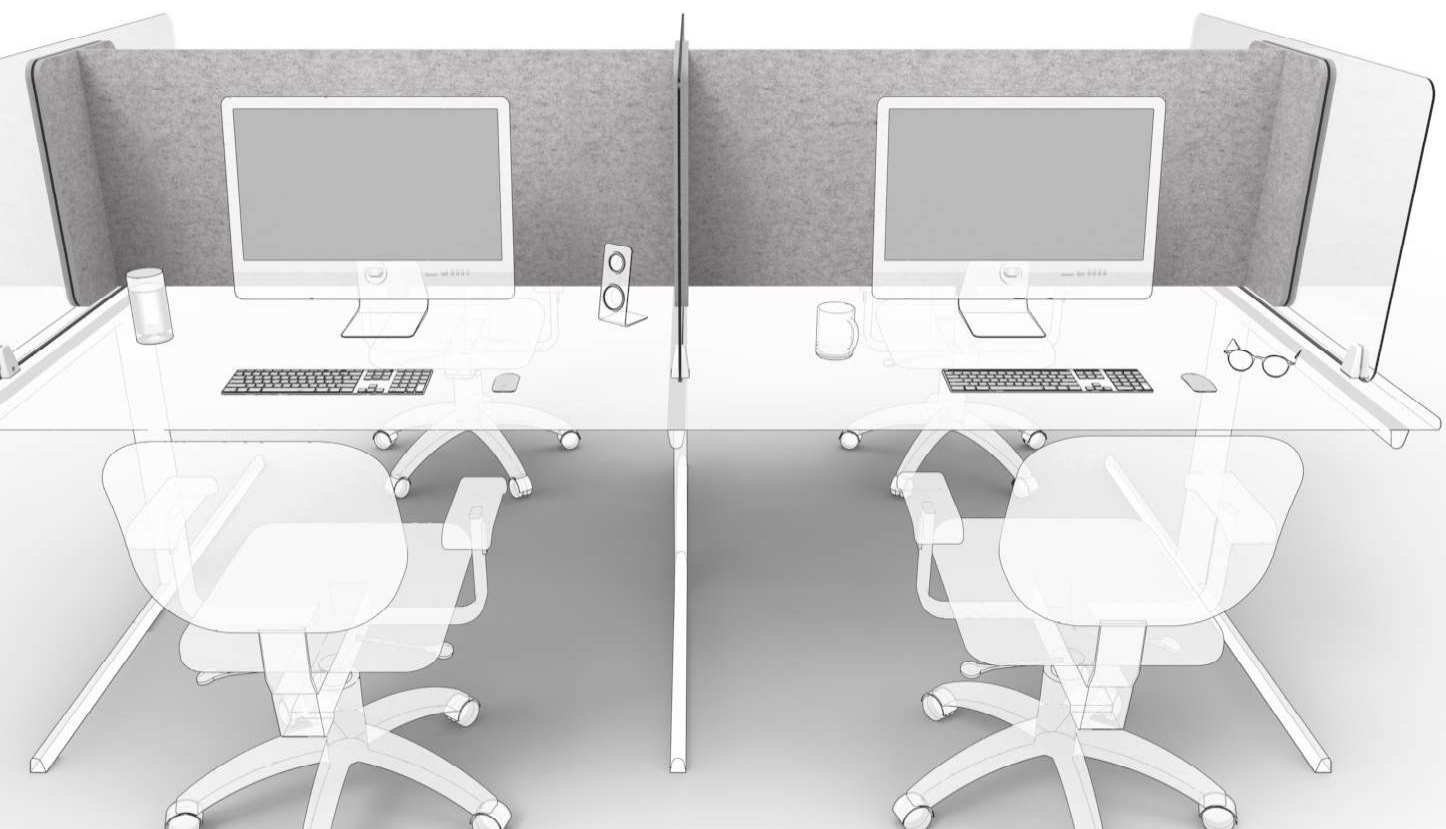

UNNA

Unna Benching Screens offer users visual and acoustic privacy, without compromising access to natural light and a feeling of openness. Unna conveys a carefully crafted design language, combining a high performance acoustic material and clear acrylic to deliver a thoughtful solution to your personal space division and privacy needs. Ideal for high density, benching applications. Unna includes a universal connection system, allowing for use with virtually any standard benching or table solution.

DESIGNER PAUL JAMES

Paul James is an award winning designer and inventor with a reputation for both right and left-brain insight. He entered college to study engineering and emerged with degrees in math and economics. A graduate degree in industrial design lead to leadership positions for several A list furniture companies. In 2002 he opened his own consultancy in Minneapolis specializing in product design and new venture start-ups. His process is equal parts head and hand, CAD and crayon, coffee and cocktail. Whether designing furniture, outdoor gear, or parametric fabrication systems, James' mantra is reason in every function and art in every detail.

AVAILABLE COLOURS AND FINISHES

Unna is constructed from the highest quality acrylic and polyethylene terephthalate or P.E.T. — an ideal material for reducing ambient noise and sound within noisy environments.

Unna is available with your choice of Clear or Frosted acrylic inserts.

BENCHING SCREENS

Unna Benching Screens enhance user privacy, whilst allowing access to natural light. Easily specified and assembled, Unna Benching Screens are an ideal solution for virtually any environment where standard desking or work tables require a high level of personal space division. Unna Benching Screens are not only practical, they are also styled to compliment virtually any standard benching or large table solution, while reducing acoustic and visual distractions.
