| SUPPLIED AS | Sheet ready to install |
| CARE INSTRUCTIONS | <p>Remove spills immediately using damp, clean cloth.</p> <p>Dab Zintra with a clean, soft white cloth dampened with a mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.</p> <p>Avoid using wax polishes, solvents or concentrated abrasives.</p> <p>For more difficult stains, dampen a soft white cloth with a solution of household bleach (10% bleach / 90% water). Dab gently.</p> |

Repeat using only a clean, water dampened cloth to remove bleach concentration, then pat dry with a lint free cloth.

Always test in an inconspicuous area first. If care instructions don't deliver the expected results, cease cleaning method immediately and contact Crown Surface Solutions for assistance.
